

The Drop

02.12.2022

Participants pictured during one of the SGSP seminars.

POSTCARD

Throughout the year, the SGSP hosted seminars designed to lay the foundation for good empirical research.

Participants, from within the NUST community and various stakeholders, became acquainted with a variety of approaches to research problem conceptualisation, literature review and research design, amongst others.

Over **20** seminars

Over **200** participants

Over **40** hours

SUN CITY, SOUTH AFRICA
