Science for Sustainable Livelihoods

Interdisciplinary Forum on Research-Based Approaches
for Climate Resilience

Organized by Mittweida University of Applied Sciences and
The African Climate Competence Centres SASSCAL and WASCAL

12 to 16 June 2023

Mittweida University of Applied Sciences, Germany

Innovative ideas welcome!

The forum aims to promote the exchange of African and German expertise to create synergies for future action and ensure sustainable climate resilience with societal impact. Contributions with innovative ideas on coping with a world under shifting climate conditions are highly welcome.

Call for Abstracts

18th February until 31st March 2023
