CALL FOR EXPRESSIONS OF INTEREST

**Seven exceptional IWRM experts needed for
intensive and specialised short courses**

The SGSP-IWRM is seeking the services of seven exceptional IWRM experts to support the development and delivery of intensive and specialised short courses. The seven courses are aimed at equipping the SGSP-IWRM PhD students, industry partners, policy makers, researchers, and practitioners with appropriate knowledge and skills for cutting edge solutions of a changing water and sanitation landscape.

Deadline for Submission

23 June 2023
