POSTCARD

Farewell to Ms. Christine Aitana: A Dedicated Pillar of the SASSCAL Graduate Studies Programme in Integrated Water Resources Management (SGSP – IWRM)

The SGSP-IWRM programme bids a heartfelt farewell to Ms. Christine Aitana who has been an integral part of the programme since its inception. Serving as both an Administrator and Accounting Assistant, Ms. Aitana has played a crucial role in ensuring the smooth operation of the programme, demonstrating unwavering dedication, professionalism, and efficiency.

Over the years, she has played a vital role in providing invaluable support to the PhD students, staff, and stakeholders making a lasting impact on the programme's success. Ms. Aitana's professionalism, commitment, and contributions have left a lasting impact on the programme. While we will miss her presence, we celebrate this new chapter in her career as she embarks on an exciting professional opportunity.

The SGSP-IWRM and the Southern African Science Service Centre for Climate Change and Adaptive Land Management (SASSCAL) family extends its deepest gratitude to Ms. Aitana for her invaluable contributions. Her dedication and commitment has been instrumental in shaping the foundation and growth of the programme. We sincerely appreciate her service and wish her continued success in all her future endeavors. She will always be remembered as a key part of the SGSP-IWRM journey.
